

## Ashton Snider

### Account Specialist

Enthusiastic to assist others and her community, while being dedicated to taking creative routes with the basics, Ashton Snider is a young professional who has developed the skills to effectively communicate, knows the power of teamwork and has that desire to learn new things each and every day.

Ashton served as an intern for the Marketing Department at the University of Rio Grande, where she was responsible for creating content for the university's social media pages, anchoring for their news segment and helping plan events around campus and the community. She also managed the social media platforms for her sorority, Alpha Mu Beta, for two years, increasing the number of followers and engagement. With a background in healthcare, serving as a resident assistant and STNA, she's no stranger to high-stress environments and the importance of being able to problem solve and develop practical solutions on the fly.

Ashton is a proud alum of the University of Rio Grande, where she graduated with a Bachelor of Science in Communications and a minor in Psychology. She played soccer for five years at the University, obtaining three awards from the River State Conference-All Conference First Team in 2020 and 2021 and Defensive Player of the Week in 2021. Ashton was selected as team captain from 2020 to 2023. Through this experience, she learned the importance of teamwork, the ability to communicate with different people, patience and hard work.

A native of Fairfield County, she currently resides in Baltimore, Ohio with her boyfriend, cat Pixie and dog Dixie. When Ashton is not at work you can catch her on a soccer field, hiking, gardening, boating, thrifting or refurbishing furniture.
